HUMOR CORNER.....

Dining out one evening, I noticed 6 teenagers celebrating at a nearby table. At the end of the meal, one of the teens produced a camera. "Wait a minute," her friend said, "You have to be in the picture, to show you were here, too!"

I walked over and asked if I could help. The girl who owned the camera was delighted. I snapped a picture of the group of six and being unfamiliar with the camera, I asked her, "Do you want me to take another shot, just in case that one doesn't come out?"

"Oh, no, that's okay," she chirped innocently. "I always get the double prints anyway." [Yes, she was BLONDE!]
