VOLUNTEERS MAY BE NEEDED AT AUGUST MEETING

Dee & Larry will be on vacation from 8/14 thru Labor Day, and I am sure others will still be gone on trips too, so those of you there may have to volunteer to help with checking in prints, showing of slides, etc. See you back in September!

SCAVENGER HUNT

We need you to email Dee if you are interested in participating in our Scavenger Hunt. It will be shot with a roll of slide film furnished by the club. Larry has gotten Denver Digital to donate the processing and will get the film as soon as he knows how many rolls we need. Film and subject lists and instructions will be handed out at the September 12th Program meeting, and the results will be judged and shown at the November meeting.

BILLBOARD

- 1) Dave Parsons, Denver Zoo Photographer, will conduct an early morning shoot for 25 photographers on Thursday, August 16th, at 6:30 a.m. Cost is \$35/members and \$40 for non-members. Visit denverzoo.org/visitors/events.asp for details.
- 2) ~~"Once in a Lifetime" - According to an email I received, the Planet Mars will be closest to the earth in August and this will culminate at 12:30 a.m. on August 27th, when Mars will look as large as the full moon to the naked eye, making it look as if we have two moons. Check it out as the next time this will occur is in 2287, so no one alive now will get another chance to see this. Hope this info is accurate!~~
- 3) Lakewood Arts Council presents "Exploration", a juried art exhibit on the theme of space, flight, fantasy, science, and science fiction, at the Red Rocks Community College Art Gallery in Lakewood. Show dates are Sept. 24 - Nov. 4th, Registration deadline is Sept. 18th. Reception date TBA. Evelyn Lombardi Lail, a teacher and featured artist on the Arvada Artists Guild's Studio Tour will be the juror. For more details, visit www.lakewoodartscouncil.org or call 303-980-0625.

HUMOR CORNER - Excerpts from KID'S BIBLE STORIES

[Supposedly written by actual students and unretouched.]

3. "Samson slayed the Philistines with the axe of the Apostles."
4. "A Christian should have only one spouse. This is called monotony."
5. "Noah's wife was called Joan of Ark. Noah built an ark, which the animals came on to in pears."
6. "Lot's wife was a pillar of salt by day, but a ball of fire by night"
7. "Moses went up on Mt. Cyande to get the 10 Commandments"
8. "People who followed the Lord were called the 12 decibels."
