**HUMOR CORNER: Granddaughters and Grandsons.....**

1. A grandmother told her little granddaughter about her own childhood-- Skating outside on a pond, having a swing made from a tire hung on a tree in the front yard, riding her pony, and picking wild raspberries in the wood. The little girl sat wide-eyed, listening and at last said, "I sure wish I'd gotten to know you sooner!"
2. When my grandson and I entered our vacation cabin, we kept lights off until we were inside to keep from attracting pesky insects, but a few fireflies followed us in. Seeing them before I did, my grandson whispered, It's no use Grandma, the mosquitoes are coming after us with flashlights."
