HUMOR CORNER:

Maxine on Winter.....

- 1) A helpful winter tip--Leave a tortilla outside for a few days and you'll have your self a handy little ice scraper.
- 2) I'm right on schedule....winter's half over & I'm half frozen.
- 3) It's a really cold day when your teeth start chattering and they're still on the nightstand.
- 4) You can tell there's a flu bug going around--even the non-smokers are coughing.
- 5) It's not really cold out until the dog's frozen himself to the hydrant.

AND....Take a lesson from the weather, it pays no attention to criticism.

ONE MORE.....

Hospital regulations require a wheelchair for patients being discharged. However, the student nurse found one elderly gentleman already dressed and sitting on the bed with a suitcase at his feet, who insisted he didn't need her help to leave the hospital. After a chat about rules, he reluctantly let her wheel him to the elevator. On the way down, she asked him if his wife was meeting him. I don't know," he said. "She's still up-stairs in the bathroom changing out of her hospital gown."
