FEBRUARY HAPPENINGS

JANUARY PLANNING MEETING REPORT - The main topic of discussion at the Planning Meeting besides setting the calendar for the year was whether or not to begin with the Digital Projection Entries. It was decided to try and work this out during the month of February and have our first competition at the end of February. It was also decided to do this on a trial basis for the first 6 months of the year, and we will alternate the digital projection competition with slide competition for these 6 months. Digital competition will be in February-April & June, with Slides in (January) - March & May. The February Program as seen below will be to finalize all the questions on the Digital Competition.

Wednesday, February 6th – 7:00 pm - PHOTOSHOP CLASS - at Reed Photo

Subjects covered will be: Stitching, B&W Conversion & Adding a Mat to your Print plus Questions

Instructor: JOHN HARRIS (From Reed) - If possible, email or call Dee if you plan to attend.

Wednesday, February 13th - 7:00 pm - Program - DIGITAL COMPETITION INFORMATION

PLEASE NOTE: To make this competition a go, we will need volunteers to prepare the entries for showing, one main person, with another as backup. We will also need volunteers to show the entries at the club meeting, again one main person, with another as backup. If a person feels they have the time, either the main person or the backup could perform both duties.

The club owns the digital projector, but the one presenting the entries would need a laptop.

We thank ROLAND FREDRICKSON for his help in copying the winning entries each month to be posted on the website. Roland has done this now for several years and finds it necessary to resign this post.

We need a new volunteer willing to bring their camera each month to copy these entries and either give their flash/sd card to Dee to load on her computer or load on their computer and email to Dee.
