HUMOR CORNER - A.A.A.D.D.

Recently I was diagnosed with AAADD - Age Activated Attention Deficit Disorder - this is how it manifests.....

I decide to water my garden, As I turn on the hose, I look over my car & decide it needs washing. As I start for the garage, I notice mail on the table and decide to go through it first. I lay my car keys down on the table, put junk mail in the trash and notice that it is full.

I put the bills back on the table and decide to take out the trash first. But then I think, since I'm going to be near the mailbox anyway, I may as well pay the bills first. I take my checkbook and see there is only one check left. My extra checks are in my desk, so I go inside to my desk where I find the can of Coke I'd been drinking. I'm going to look for my checks but first I need to move the Coke so I don't accidentally knock it over.

The Coke is getting warm, and I decide to put it in the fridge. As I head for the kitchen, a vase of flowers catches my eye. They need water. I put the Coke on the counter and find my glasses I've been looking for all morning. I think I better put them back on my desk, but first I'm going to water the flowers.

I put the glasses down, fill a pitcher with water, and spot the remote control. I realize tonight when we watch TV I'll be looking for the remote. I decide to put it back in the den where it belongs, but first I'll water the flowers. I pour some water in, but quite a bit spills on the floor, so I set down the remote, get some towels and wipe up the spill. Then, I head down the hall trying to remember what I was planning to do.

At the end of the day...the car isn't washed; the bills aren't paid; there is a warm can of Coke on the counter; the flowers still don't have enough water; there is still only 1 check in the checkbook; I can't find the remote control; I can't find my glasses; and I don't remember what I did with the car keys.

Then, when I try to figure out why nothing got done today, I'm really baffled because I know I was busy all day, and I'm tired!

Don't laugh--if this isn't you yet, your day is coming!!

ONE MORE: BEST SINGLES AD EVER PRINTED: [Supposedly printed in the Atlanta Journal.]

SINGLE BLACK FEMALE seeks male companionship, ethnicity unimportant. I'm a very good girl who LOVES to play. I love long walks in the woods, riding in your pickup truck, hunting, camping and fishing trips, cozy winter nights lying by the fire. Candlelight dinners will have me eating out of your hand. I'll be at the front door when you get home from work, wearing only what nature gave me. Call 000-875-6420 and ask for Daisy. I'll be waiting.....

[Over 15,000 men found themselves talking to the Atlanta Humane Society.]
