HUMOR CORNER:

An Indian walks into a cafe with a shotgun in one hand, pulling a male buffalo with the other, and says to the waiter "Want coffee".

The waiter says, "Sure, Chief, coming right up!" He gives the Indian a tall mug of coffee, and he drinks it down in one big gulp, turns and blasts the buffalo with the shotgun, causing parts of animal to splatter everywhere & just walks out.

The next morning, the Indian returns, again with his shotgun in one hand and another male buffalo in the other. He walks up to the counter and says, "Want coffee!"

The waiter says, "Whoa, Tonto, we're still cleaning up your mess from yesterday. What was that all about, anyway?"

The Indian smiles and proudly says, "Training for position in the United States Congress! Come in, drink coffee, shoot the bull, leave mess for others to clean up, and disappear for the rest of the day!"

ANOTHER BLONDE JOKE: The blonde said, "I was worried my mechanic might try to rip me off, but I was relieved when he said all I needed was turn signal fluid!"

QUOTE: "As you slide down the banister of life, may the splinters never point in the wrong direction!"
