MAY HAPPENINGS

Wednesday, May 12th Program Meeting, 7:00 p.m.
UNDERWATER / 2-1/4 IMAGES / STEREO SLIDES

This program will cover two formats not usually seen in club activities: stereo photography and medium format 2¼. Club members with slides in this format are invited to bring them. We will also have some dive experts talk about their underwater photography

Wednesday -- May 26th – 6:30/7:00 p.m.
COMPETITION MEETING – OPEN

The next open competition will be in July. June will feature the results of the Holga Shoot (see below).

Saturday-Sunday, May 22-23
ARCHES NATIONAL PARK TRIP

The Plan: We will meet at 4:00 on Saturday at the Visitors Center at Arches National Park. If people leave Denver around 8am they should arrive in Moab around 2pm thus giving them time to check into their motel or campground and be at the visitors center by 4pm: We will plan our shooting schedule at that time and decide where we will eat supper. We will also set a time to meet the next morning. **You should wear good walking shoes and carry enough water.** If one were to leave the park around noon on Sunday they should arrive back in Denver around 6pm. If anyone has any questions or comments please email me at rdcark@aol.com or call me at 303-431-8697. Dick Carkeek.

Notes from the editor:

- One member reports that other groups are vying for hotel rooms that weekend. So don't wait until you get there for lodging arrangements!
- Also, driving times assume no traffic delays or no really cool and tempting photo detours along the way! You may want to allow extra time for either.

APRIL-2004 COMPETITION RESULTS

SUBJECT: PEOPLE

~~~~~  
**HOLGA SHOOTERS**

For the June competition (when we will be showing results of our Holga shoot) we will be conducting the competition similar to our regular competition, but no points will be going toward your yearly totals. This competition will stand on its own, point-wise.

You can enter a total of three (3) entries in prints (color and/or b&w), and/or a total of three (3) slides. For this competition only, the maximum size for the print mount is 8x10; the print may be any size up to 8x10. We will have a medium format projector for the slides.

All entries must have been shot with your Holga camera. We have a judge signed up who is very knowledgeable about the Holga, so it should be fun.

~~~~~

Rocky Mountain Regional Camera Show, Sunday, May 16th, 9am-4pm.
