MESSAGE BOARD

- 1) **MAY SWAP MEET** - This is the first year we are trying to recruit sellers and buyers of all sorts of collectibles in addition to photographic equipment, with the hope that this broader field of interest will generate more interest, resulting in more tables sold and more coming through the door, with more profit for us.

If you know anyone who collects items such as stamps, knives, coins, books, etc. encourage them to try us out this year. But remember, this is a collectibles show, **NOT A CRAFT SHOW!**

- 2) **ROCKY MOUNTAIN NEWS MONTHLY PHOTO CONTEST**
"Through Your Lens" - Go to RockyMountainNews.com to submit your wildlife, scenery or travel photos, or visit the site to vote for your favorite shot. At the end of each month, they post the readers' favorite photo along with the photography staff's favorite. Contest is featured at: Denver.RockyMountainNews.com/yourphotos/index.shtml
- 3) Digital photographers do not need to take special precautions at airports when traveling as those with film do, as no airport security equipment (whether for your carryon or checked luggage) affects digital cameras or memory cards.
- 4) Wet & Dry Swabs from Green Clean USA - Offered are two non-full frame size swabs, measuring 15mm and designed to safely remove dirt and oil from digital camera sensors. The Wet Swab is pre-saturated with an alcohol-free solution that is nontoxic and the Dry Swab is pre-treated, lint free, and highly absorbent. Check out the website at www.green-cleanusa.com.
- 5) Check out all the great programs, workshops & shows available at Belmar- Lakewood at workingwithartist.org

HUMOR CORNER.....From a Book of Insults

- 1) **He should be a character actor in Hollywood. When he shows any character, he's acting.**
- 2) **Cranks-Give him something for free, and he'll gripe that it wasn't gift-wrapped.**
- 3) **Chatterboxes - She even talks to herself to be sure of getting in the last word.
You like him a lot when you first meet him, but he soon talks you out of it.**
- 4) **Birthdaze - She claims she just turned thirty, it must have been a U-turn.
The guests tried to count the candles on her cake, but the heat drove them back.**
- 5) **Singers - She couldn't carry a tune if it had handles.**
