**DEATH:** We lost a very sweet gentleman and a very well known and accomplished photographer this last month in CORNELIUS STRIPLING. Cornelius was 82 and was one of Denver's first black dentists, practicing for 45 yrs before retiring and becoming an award winning amateur photographer, specializing in still-life portraits of fruits and vegetables. He received many local and national awards including 2 awards of merit from the New York Institute of Photography. The Blair-Caldwell African- American Research Library owns a collection of his work. Cornelius was a member of DPS for the last 12 years and will be missed by all of us who knew him.

### HUMOR CORNER:

A man is trying to cross the street. As he steps off the curb, a car comes screaming around the corner and heads straight for him. The man walks

faster, trying to hurry across the street, but the car changes lanes and is still coming at him. The guy turns around to go back, but the car changes lanes again and is still coming at him.

By now the car is so close and the man is so scared that he just freezes and stops in the middle of the road.

The driver rolls down the window. The driver is a squirrel. The squirrel says to the man, "See, it's not as easy as it looks, is it?"

THOUGHT FOR THE DAY; "I am grateful that I am not as judgmental as all those sanctimonious, self-righteous people around me"
